BOTTEGA

The Maestros of Venice

Compete for work on the landmarks of Renaissance Venice
Build equipment to improve your workshop, and craft magnificent inventions.

PLAYERS	PLAY TIME	AGES	MECHANICS
1-2	45 min	14+	Dice-as-workers / Tableau building / Resource management

1. PLACE

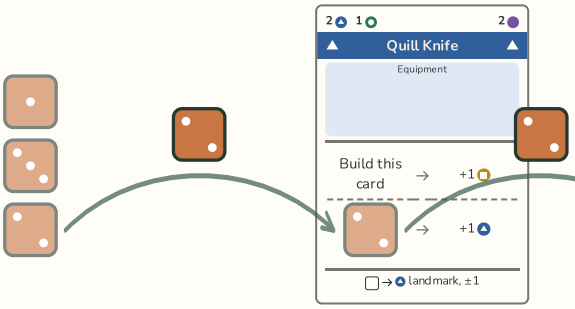

Place your workers

Match a worker's value to a landmark spot and collect its rewards. As spots fill up, the requirements and rewards rise. Landmark spots fill left to right.

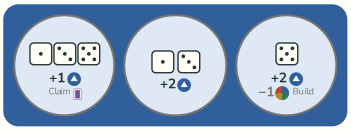

2. BUILD

Improve your workshop

Spend resources to buy equipment. Add new worker spots and abilities to your tableau, then combine them into a more powerful workshop.

The Doge's Palace

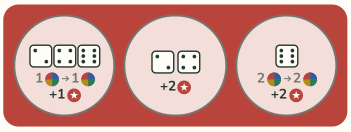

St Mark's Basilica

The Venetian Arsenal

The Moors Tower

3 workers, many possibilities

In a single round, a worker can be placed on equipment, and travel onward to a landmark spots. Plan carefully to maximize the effeciency of each worker.

INSIDE THE GAME

Put Venice on your table

1 Game board with landmarks and markets
3 four-sided blocker dice
6 six-sided worker dice
24 invention cards
44 equipment cards
80 Ressource Tokens

3. INVENT

Build toward something extraordinary

Claim inventions, assemble the right equipment and worker placements, then fulfill them for rewards and victory points.

Equipment, inventions and resources all count towards the final score. The most accomplished maestro wins.
